SIZE Really Does Matter!

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom

GUARANTEED RESULTS

Get serious about having the longest, biggest, thickest penis possible. Don't waste any more time on creams, sprays or products that have not been proven. Start seeing real results in the shortest amount of time with Testrone with Tongkat Ali !

Imagine when your partner sees how thick and long you are. Eliminate worries about going soft or coming too soon. Maintain virility so that you can increase the number of times you can perform.

This new highly concentrated formula makes all the difference in the world. Never before has there been an all-natural formula that works as fast and effectively as this product. To increase the size and power of your penis you need a solution that works. You won't find a more potent formula for growth and development !

SHOCK & ORA

Rita reckons she's lost count of her nip slips!

OH LOOK…it's British singer and teevee personality **Rita Ora** flashing a wayward nipple in the public arena. Again.

As delightful as it is to perv on the popster's delightful rack rivets – this time while exiting a London restaurant – it's become something of a weekly occurrence, hasn't it?

We're not bullshitting either. In fact, the 25-year-old UK *X Factor* judge says she's lost count of the number of times she's had a wardrobe malfunction.

"It's fun. It's happened to me lots, so I'm not paranoid about it anymore," she told Pommy tabloid *The Sun*. "You end up losing track of them."

She added, "Whatever, you have got to take some risks in fashion. That was a risk I took and I'm proud of it. I've always been the type to wear what I want. It's all about being an individual. I feel comfortable in what I wear."

Although it appears Rita's nips AREN'T so comfortable, which is why they keep trying to escape from her outfits as often as possible.

WE

IT'S been a while since Page 3 legend **Lindsey Strutt** got her sensational cans out for our viewing pleasure. And it seems that, just like other veteran British glammas, her 34GG breasts have simply got better with age. There must be something in the Earl Grey tea she sips!

Or is it something else?

"Tins of baked beans are my secret," the 28-year-old laughs. "You walk around ▸

ET *dream!*

Lindsey's back and she's naked in the shower!

PHOTOS BY LIPSTICK SYNDICATION

▸ your house holding cans of beans up in the air while you do the housework. That's what my grandma told me years ago and her boobs are AMAZING. No joke."

We'll have to meet Granny Strutt someday. If she's even HALF as hot as Lindsey with incredible cans to boot, we'll peg back her wrinkles and have a crack. No joke, either!

Still, the modelling world is fickle and there are tons of up-and-coming beauties fighting for their spot in the glamma game.

But Lindsey and her NATURAL BEAUTIES have a timeless quality. She may have been gone for a while, but she comes back and it's like she's never been away.

"I haven't done something this sexy for a while," the Doncaster delight admits about this shower-themed pictorial.

"I've really been missing it. Getting to have a naked day with all your sexy friends isn't exactly the average job – whip your clothes off and the job's a good 'un!" ▸

'WE FUCKED BY THE SIDE OF A SWIMMING POOL'

'I'VE REALLY BEEN MISSING POSING NUDE'

Sooooooooo…what DID Linds get up to in between appearances in our mag?

"I had so many grand plans of doing beauty courses and getting some qualifications…but I ended up just walking around Doncaster telling people about my grandma's boobs!"

That's time well-spent, mate. Now, wrap up this yarn with a sexy anecdote!

"I was with an ex-boyfriend in Gran Canaria wearing a little skirt and top, and it made him horny," she laughs. "We couldn't wait till we got back to our room, so we did it by the side of a swimming pool."

TRAFFIC STOPPER

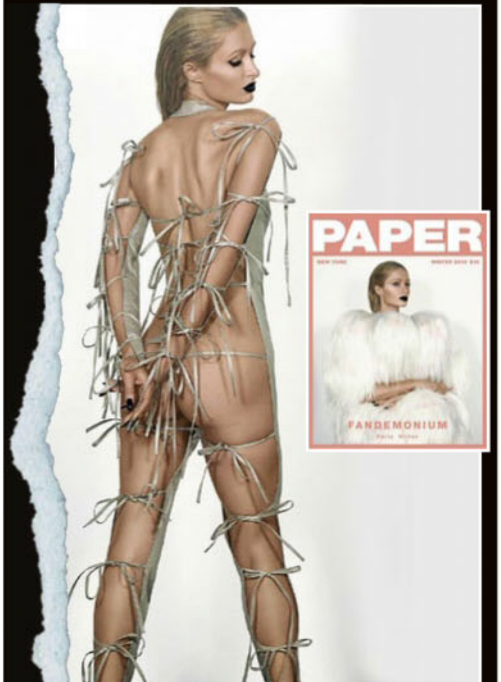
HAYEK, YEAH!

ACTUALLY, that's an understatement, 'cos Salma Hayek could bring an express train to a screeching halt in this cleavage-tacular outfit. The 49-year-old Mex-American actress was at the *Evening Standard* Theatre Awards in London when she casually raised the STANDARD of living for every post-pubescent male on the planet.

TRUST FUNDAMENTS

BILLION-DOLLAR BOOTY CALLS

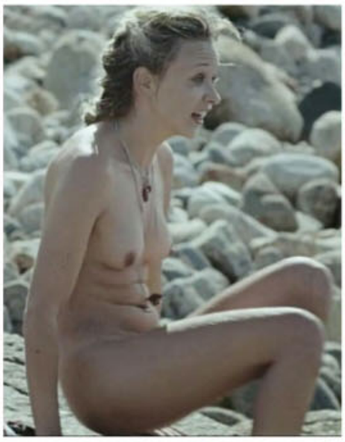
THERE'S probably an astrological explanation for this amazing coincidence – like "Venus is diddling herself with a cucumber in the Seventh House" or some bullshit. Y'see, not only has reality TV spunk **Kylie Jenner**, 18, unveiled most of her butt in the December *Interview* (shot by Steven Klein), 34-year-old **Paris Hilton** has stopped DJ-ing in Ibiza for a moment to flaunt her rich rump in the Winter ish of *Paper* (shot by Vijat Mohindra). Nice to have your backside back, Paris.



SMOKIN' WEED

NEW TITS ON THE BLOKHUS

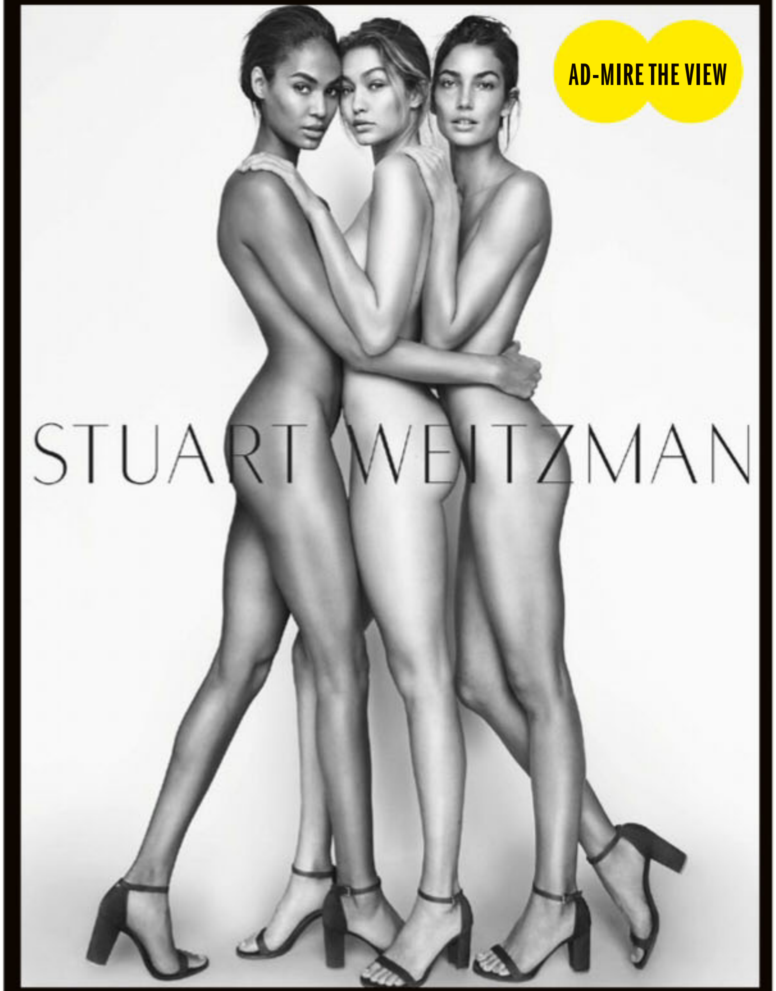
THIS cheeky lass is star of Norwegian stage and screen **Marie Blokhus**, 33, doing her thang in a 2015 short fillum entitled *Bunker*, about two old friends who renew their acquaintance with a trip to a German bunker from WW2. As you don't. Fortunately, rather than spending the whole time discussing historical fortifications, Marie's character takes a naked dip. And pretends that a clump of seaweed is her pubes. Champion.



NOODY STU SHOES

THIS isn't the first Stuart Weitzman advert we've highlighted. It won't be the last, either, if the Yank footwear kingpin keeps promoting his wares with starkers runway honeys like (left to right) **Joan Smalls**, 27; **Gigi Hadid**, 20; and **Lily Aldridge**, 30. Those three can leave their designer shoes under our bed anytime!

AD-MIRE THE VIEW



Joan, Gigi and Lily are following in the ilustrious footsteps of **Gisele Bündchen**, who went heels on, blouse off for Mr Weitzman in an earlier campaign (below).

LONDON PERVING

NAOMI POPS OUT

WHEN fashion legend **Naomi Campbell**, 45, visited her pal Madonna in London recently, sparks flew. No, the two didn't get into a scrap in the street a la James Packer and David Gyngell. We're referring to when Nomes hopped into her car afterwards and let slip an electrifying lady lump. She should visit Madge more often.

MAJESTIC 12

THE NO-SHIRTY DOZEN

FORGET the 12 Days Of Christmas! For their December issue, the Frenchmen at *Lui* mag have given us the 12 Dames Of Christ-On-A-Bike! Each babe is a world-famous module who gets her own cover and gloriously fleshy pictorial. Here's a preview of our favourite pair: 26-year-old Lithuanian **Edita Vilkeviciute** (left) and 32-year-old Dutchie **Lara Stone**. Beats the hell out of partridges and kents bashing drumkits.

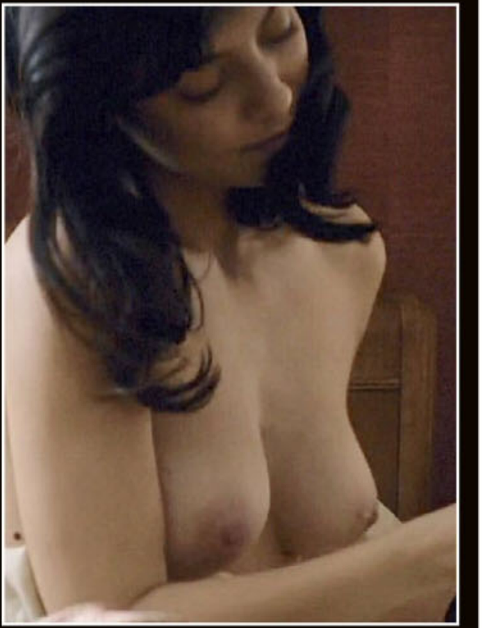
ALESS IS MORE

SPICE OF LIFE

THE 2015 flick *Life* is about an iconic photo shoot involving the young James Dean – if you're a serious cinema type. If you're us, that stuff's incidental and what it's REALLY about is 29-year-old Italian actrine **Alessandra Mastronardi** being topless. Because there's always room for another busty brunette beauty in our lives. Sorry, Nigella.



HELLO, I'M...

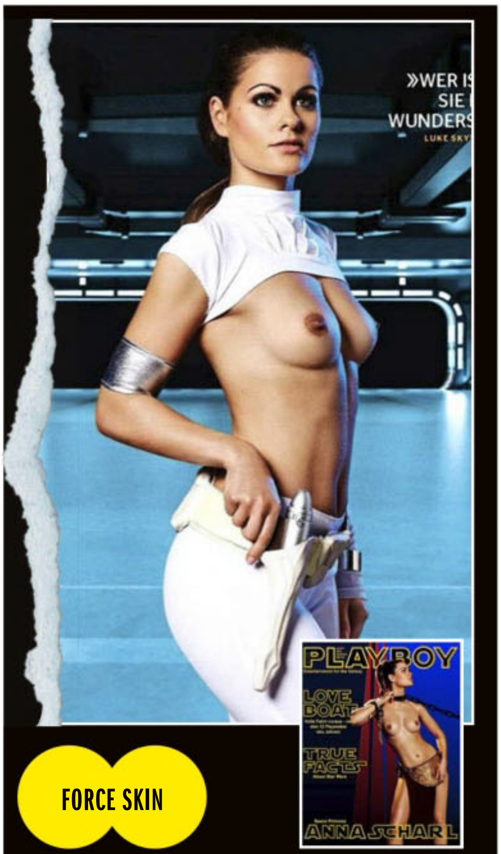
DILLION HARPER

SINCE devoting herself to the pornographic creative arts in 2012, **Dillion Harper** has appeared in at least 180 titles. That's close to a fuck-fest a week, readers! Talk about dedication. This peachy portrait of the 24-year-old comes from Digital Playground's X-rated vampiric odyssey *Hot Chicks, Big Fangs 2*, which totally sucks. In a good way, not in the *Twilight* way.

HIND SIGHT

BARE BUMBUM!

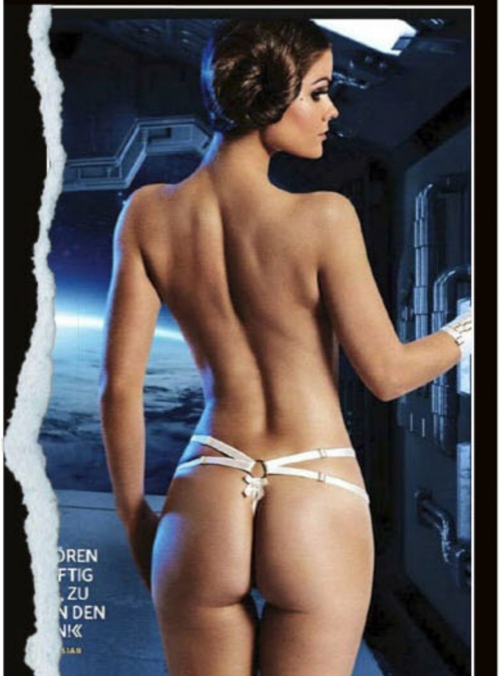
NEWLY crowned winner of Brazil's Miss Bumbum 2015 pageant Suzy Cortez has launched into nudie modelling. She's a bloody natural, ain't she? While posing, the badonkadonk-blessed stunna revealed she once walked in on an ex-boyfriend cheating on her – with a bloke! Suze, Suze, Suze…you're clearly looking for fellas in the wrong place. Next time, try *People* Tower!



FORCE SKIN

GALACTIC GLAMMA

FIVE minutes ago, in a country far, far away (Germany), a gentleman's periodical (*Playboy*) paid tribute to *Star Wars* by having pin-up **Anna Scharl** dress in cossies reminiscent of those worn by Carrie Fisher, Natalie Portman and *The Force Awakens* starlet Daisy Ridley. Except boobier. We raise our glasses of blue milk to the Munich-born 30-year-old, to ace lensman Manuel List and to whichever closet-geek journo came up with the out-of-this-world idea.



RUSSIAN FRONT

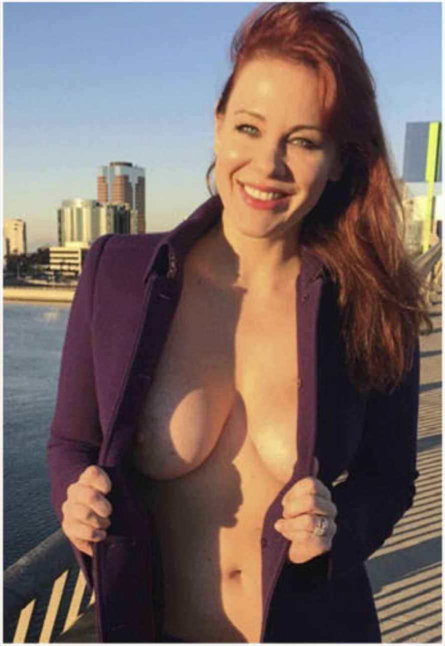
KILLER STRIP

THEY'VE remade murderer-murdering saga *Dexter* in Russia and it's called *Method*. Not everything about the program is the same, though. From what we've read, main man Rodio Meglin is occasionally able to dissuade those he meets from killing, instead of simply chopping them into little pieces. But enough of such nastiness – here's a scene featuring the rockin' bod of **Karina Zvereva** in the raw.

SHARING THE LOVE

The freshest flesh on celebrity social media

All-round talent **Amber Rose** (keep an eye out for her in *Zoolander 2*) cleaned the bathroom mirror to help us reflect on her pierced pips.



Curvy cosplayer **Maitland Ward** DIDN'T hide her nipple for a change as Snapchat became dat bap! Who needs costumes when you've got kajooblies?

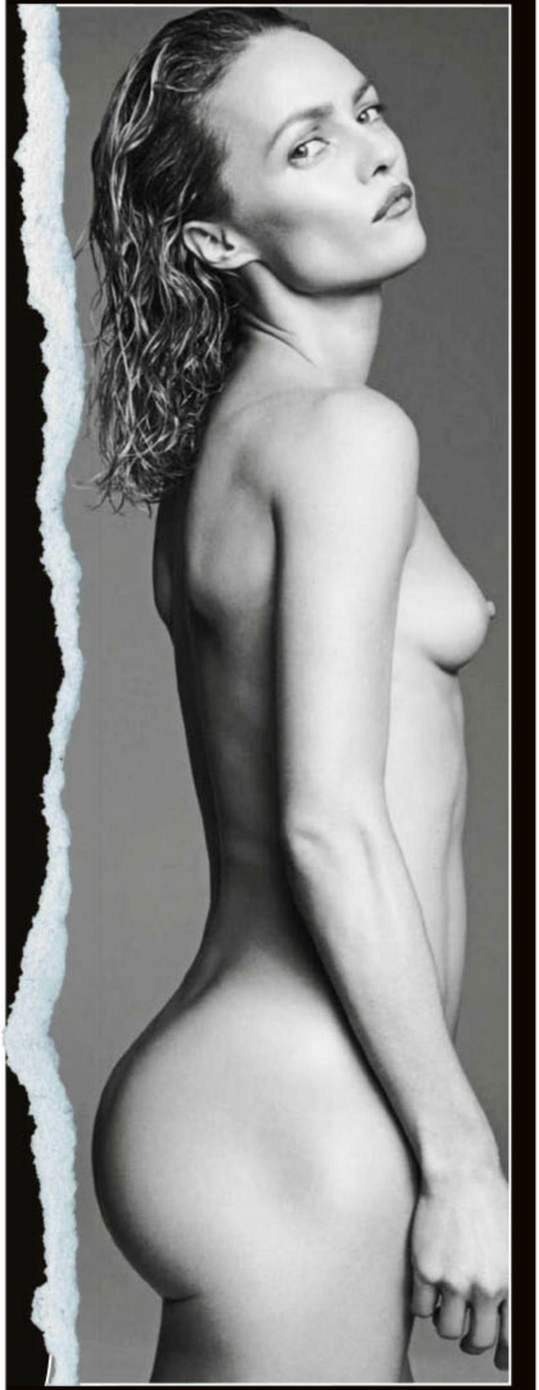
PROFILE PRAISING

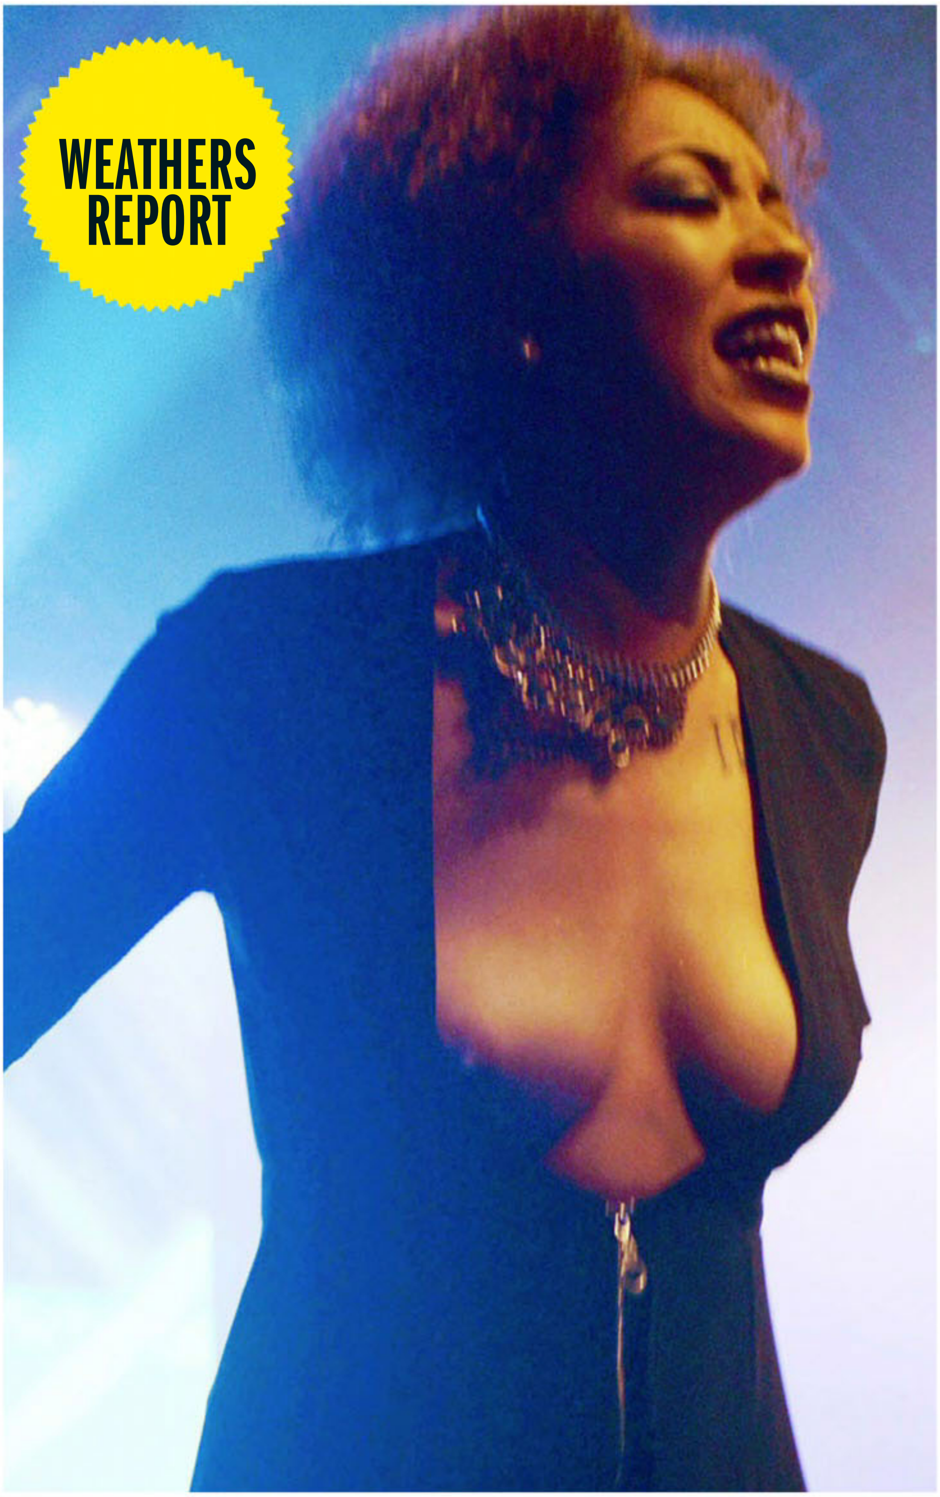
VOGUE

Vanessa Paradis

PARADIS LUST

NEXT season's overpriced glad rags mustn't be entirely ready yet. How else to explain this shot of quadruple threat – she sings, she models, she acts, she used to be Mrs Johnny Depp – **Vanessa Paradis** in the Dec./Jan. *Vogue Paris*? Or is that unfair to the camera-fu of Inez & Vinoodh? Throw in pesky clothing and even they might not have captured this fascinating SIDE of the 42-year-old's personality.

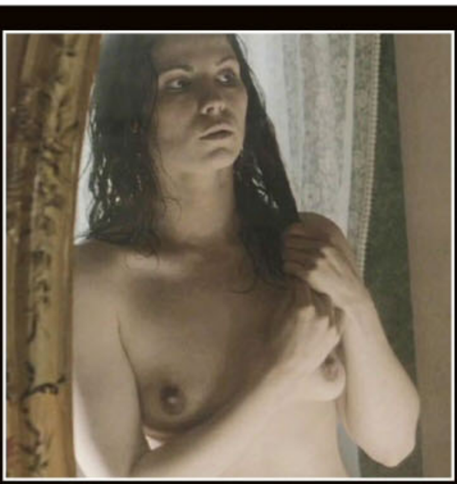




WEATHERS REPORT

THE N FACTOR

ALTHOUGH St Helens barmaid Kiera Weathers, 18, was ousted in the second week of the latest series of Pomland's *The X Factor*, her vocal gifts were obvious to all of the music lovers watching. When the hottie performed a set at the G-A-Y club recently, they became still more obvious after she slipped a succulent N-I-P.



LATIN ROOTS

PIHLA SHOWS OFF HER FRAME

YOU may recognise Finnish cracker **Pihla Viitala**, 33, from 2013's *Hansel & Gretel: Witch Hunters*, in which she plays a village gal who assists the heroic duo. Then again, she doesn't hold a framed photo in front of her face in that one, so you very well may not. Ahem. These nekkid grabs are from 2015 com-dram *Latin Lover*, the story of a root-rat actor's five daughters (with five different women) who gather to celebrate their dead dad's career. Awww, he woulda been so proud.

COMING SOON

BEBE

IF WE had to be marooned on an island with someone, it wouldn't be that Bear Grylls joker, despite his extensive survival knowledge. Nah, we'd prefer to take our chances with 22-year-old West Aussie Bebe. Mega rack, raven hair, wild ink… We bet she'd never advise us to drink our own piss. P.S. Stay tuned for the rest of this shoot!

BLOWN AWAY

WHO'S the best cocksucker in the jiz biz? That's what website Throated.com is determined to find out with its annual ***Miss Throated 2016*** competition.

And the cream of the cream-chugging crop are taking things very seriously with the biz's best cock-suckers keen to earn the prestigious title.

Performers include defending champion Karmen Kama, AVN Female Performer of the Year Anikka Albrite, Riley Reid, Abella Danger and Allie Haze.

They're all going...ahem, HEAD TO HEAD in the comp, which is judged by the public.

Punters go to the site, check out the exclusive videos, then cast their vote with the click of a button.

Voting ends on January 15, with the winner to be crowned at the 2016 AVN Adult Entertainment Expo in Las Vegas.

Trust us, it's not just an excuse to direct traffic to Throated.com – the winner will score $5000 and a performance contract with the site.

Those prizes certainly DON'T suck...even if the chicks do!

Health and safety

NURSES are there to ease your suffering and make you feel better. And if you're suffering from an aching COCK, then the larger ladies in ***BBW Nurses*** will make sure you're pain-free in no time at all. Star **Eliza Allure** (right) says there are five great reasons why curvy chicks make the BEST nurses when it comes to SEXUAL health care.

"One, during your check-up, our big breasts and soft bellies rub against you," she said. "Two, fat girls like to indulge their patients 'cos they like to indulge themselves – they understand how to please everybody."

And what's number three on your list, Eliza?

"Their big breasts and pretty faces give you relief by providing you a nice focal point. Four, they smell sweet like home-baked goods. Sweet scents trigger memories that help comfort and relax you into the optimal healing state."

And finally...?

"Nurses uniforms fit so snug on our big round curves."

Not that the cossies stay on for long, eh Liz?

HOO

THINGS aren't going well in LA's Channel 10 newsroom – ratings are down and the powers that be are shitting themselves.

Luckily, producer Maggie (**Sarah Vandella**, right) has an idea for a hot expose that'll get the ratings – and viewers' heart rates – soaring. She goes undercover as a high-class escort to give punters the inside scoop on the world's oldest profession.

But when Maggie realises that hooking is more fun (and way more honourable) than working in television, she has to make a hard career decision.

Luckily, she has red-hot working girls **Skin Diamond** and **Capri Cavanni** to help her make up her mind. You can trust them, Maggie… they're PROS after all.

CARTER CRUISE

IN 2015, 24-year-old cutie CC picked up both the *AVN* and XBIZ awards for Best New Starlet. That's like winning a Logie and an ARIA in the same year! Er...sorta-kinda.

IRTY

Porn's top 10 nudecomers of 2015!

WELL, another year is in the can and another drawer full of WANKING SOCKS have been worn out after watching a ton of adult films …for work purposes, obviously. Along the way, we were wowed by the impressive performances of a bumper crop of X-rated newbies. Coming up with a list of the top 10 ravishing rookies in the jiz biz was HARD – in more ways than one! We're sure this is only the start of a long, satisfying, cock-filled career for all of these ladies.

DAKOTA JAMES

DELICIOUS Dakota, 21, hails from the frozen wastes of Alaska, where it's not quite as brass monkey if you're with a girl this hot – and who enjoys fucking this much.

ABELLA DANGER

WATCH her fillums such as *Nutz About Butts* and *Enter Her Exit* and you'll be in serious danger of falling for 20-year-old Abella. Many already have.

LUCY TYLER

ACCORDING to her Twitter feed, 21-year-old Lucy is currently studying marine biology. We'd happily let her experiment on us at a secluded stretch of seaside.

KEIRA NICOLE

FANS often describe 19-year-old Keira as “all natural”. We take that to mean they adore her round chesticles and hairy pussy. And who can blame ’em?

CARMEN
CALIENTE

BRAZILIAN-born, Florida-raised Carmen, 21, says she's "very flexible" after five years as a cheerleader. You'll be cheering, too, when you see her get loose in a porno.

EDYN
BLAIR

SPUNKY Edyn, 27, goes brunette at times, but we prefer her in "matching red carpet and curtains" mode. For example, as the lead ranga rooter in *Gingeracial.*

KISSA SINS

HER work may be mainly web-based at present, but 27-year-old California girl Kissa has the potential to take the XXX biz by the balls... before draining them dry.

JADE

“SOME people are so poor all they have is money,” reads one of Jade’s tattoos. Clearly, the 23-year-old star of 50+ movies would rather be rich in sexual experiences.

Brand plan

A YOUNG chick hooks up with a famous footy player and things soon get hot and heavy. As they start stripping off, she sees he has a tattoo saying "NIKE" on his bicep.

"Why do you have that inked on your arm?" she enquires.

"Oh, I'm sponsored by Nike," replies the footballer. "Each time that tatt is seen on TV during a game, I get an extra payment."

As the bloke's taking his pants off, the girl notices he has also "REEBOK" tattooed on his arse.

"How about that?" she asks.

"I'm sponsored by Reebok, too. They paid me shitloads to get their logo on my arse – and I score even more when it's photographed."

She's removing the guy's jocks when she sees the word "AIDS" tattooed on his dick!

"Oh, my god!" she yelps. "Why the hell would you have that tattooed on your dick?"

"Take it easy!" says the footy star. "It'll be 'ADIDAS' in a moment!"

Odds behaviour

THREE blokes were working on a building site: Sammo, Macca and Chook.

One day, Chook was on some scaffolding on the third storey when he lost his balance, toppled over the edge and fell to his death.

Sammo and Macca were devastated. As the ambulance came and took their mate's body away, they realised they had a hard task in front of them.

"Who's gonna break the news to Chook's missus?" asked Sammo glumly.

Macca said, "I'm pretty good with that sensitive stuff. I'll do it."

A couple of hours later, he returned, whistling to himself, with a slab of VB under his arm.

Sammo looked at him in surprise. "Where'd ya get that?"

"Chook's missus gave it to me."

"What, you went over there to tell her husband's dead and she gave you a slab of beer as a present?"

"Yeah, kinda," explained Macca. "When she opened the front door, I said, 'Hello, you must be Chook's widow.' She goes, 'I'm not a widow!' I said, 'A slab of VB says you are!'"

Load of bull

BRUCE and Sheila went to a cattle sale to buy a new stud bull for their farm. At the first pen they approached, the breeder bragged, "This fella's able to mate an average of 52 times a year!"

"You hear that, darl?" Sheila nudged her hubby playfully. "If only WE enjoyed that much action each year!"

At the next pen, the breeder told them, "This bull's a real prize. He's known to mate up to 120 times a year."

Again, Sheila teased Bruce. "That's 10 times a month! More sex than I'll ever hope to get with you!"

At the third pen, they were informed by the proud breeder that his bull could mate every day of the year.

"Every day!" Sheila laughed as they walked away. "Darl, you could really learn a lesson from that bull!"

At this point, Bruce growled, "Why don't you go back over there and ask if it was all with the same cow?"

People of Kmart

AN obese, loud and unattractive woman was yelling nonstop obscenities at her bratty, screaming children while in Kmart.

As they passed through the checkout, the cashier made polite conversation by saying, "Those are two cute kids you have there. Are they twins?"

At this, the women looked at him in disgust and snorted, "Are you an idiot or something? My son's 10 and his sister's only six. Do you REALLY think they're twins?"

"No," replied the cashier sweetly. "I just asked because I'm surprised anyone would want to root a chick like you once, let alone twice."

Doreen, Qld

Aim high

THE Year 5 kids were asked to stand up and tell the class what they wanted to be when they grew up.

When it was Lil' Johnny's turn, he said, "When I grow up, I want to be a world-famous male model, a rocket scientist or an Olympic athlete."

The teacher laughed, then observed condescendingly, "That's very nice, Johnny, but let's be realistic here. You'll probably never be good-looking enough to be a male model, smart enough to be a rocket scientist or talented enough to be an Olympic athlete."

"Fair enough, Miss," Johnny responded. "I guess if I end up being ugly, stupid and talentless I can become a teacher."

THE GAG REEL | The best one-liners from professional jokers

ALAN SHARP

"I was in a band that we called The Prevention. Because we hoped people would say we were better than The Cure."

STEPHEN K. AMOS

'LOVE IS LIKE A FART. IF YOU HAVE TO FORCE IT, IT'S PROBABLY SHIT'

ALUN COCHRANE

"The first time I met my wife, I knew she was a keeper. She was wearing massive gloves."

CHRIS BETTS

"I look at fighting the same way I look at physics. I can't do it. But I respect its ability to solve problems."

Cool joke

Q. WHAT'S the difference between a snowman and a snowwoman?
A. Snowballs.

Ian, NSW

Blind date

JAKE picks up a blind chick in a club and takes her home.

As they're lying in bed together, she goes, "Holy shit…that's the biggest cock I've ever laid my hands on."

Jake says, "No way. You're pulling my leg!"

Barney, Qld

Railroaded

IN AN empty train carriage, a male and a female passenger got talking to one another. After a while, the conversation turned flirtatious.

"Listen, I've got a proposition for you," the girl giggled, fluttering her eyelashes. "I'll show you my legs if you give me $10."

Thinking it would do no harm and might lead to more, the guy shrugged and handed over a tenner. The girl pulled her skirt up to her knees, revealing the sexiest, most shapely calves the man had ever seen.

"Now," she purred, "I'll show you my thighs if you give me another $10."

Feeling pretty turned on, the bloke gave her $10. At this, the girl hitched her skirt up to the top of her thighs, climbed onto his lap and began grinding away.

"Like that?" she whispered seductively. "Well, for $100, I'll show you where I had my appendix taken out."

By this stage, the bloke could barely contain his raging boner, and put his wallet into her hand.

She hopped off his lap, pointed out the window and shouted, "Look! Over there! There's the hospital where I had it done!"

Callum, WA

A hard time

I WENT for my yearly prostate exam. As I waited on the bed, naked from the waist down, the nurse reassured me, "Don't worry, Mr Jones, it's perfectly normal to get an erection during the examination."

"But I don't have an erection!" I said.

"I know, Mr Jones," winked the nurse. "But I most certainly do."

PW, WA

Drunk love

LAST night, my parents sat me down and admitted that they'd both been drunk on cheap'n'nasty beer on the night when I was conceived.

It's been a real hard life growing up as a Foster's child.

WR, Vic

Nailed it

Q. HOW do you get a bloke to stop biting his nails?
A. Make him wear shoes.

Joseph, Vic

Mostly armless

A BLONDE babe, a brunette chick and a redheaded lass had a breaststroke race across their local river.

The race began and the ginger reached the opposite riverbank first, followed closely by the brunette. But there was no sign of the blonde.

As they were about to call emergency services, the blonde bobbed into view.

She struggled out of the river, before angrily asking, "Were you ladies using your arms?"

TIT & MYTH

HOW about another photo of December 7 Model Citizen Avalon and her giant naturals? I don't get the talk about mermaids, but if a girl with a body that hot and a face that pretty wants to believe in mythical creatures, it's fine with me.

Dalton, WA

We're with ya there, mate. And as can be seen from this previously unpublished pic, there's absolutely nothing fishy about the 29-year-old Brissie stunna.

HONOR-ABLE MENTIONS

OLD GOLD

THERE are two British babes who should have been in your article "Double-Oh Heaven!" [November 23 issue] and both were in the 1964 Bond film *Goldfinger*: Honor Blackman, who played Pussy Galore, and Margaret Nolan, who played Dink and also appeared in the title sequence. Margaret worked as a nude model under the name Vicky Kennedy, before becoming an actress and appearing in a number of *Carry On* movies, among other things.

Paul, Vic

The feedback on our tribute to 007's sexiest co-stars continues to arrive. Thanks for your contribution, Paul. We couldn't decide which lady's photo to run, so here are screen grabs of both of them from Goldfinger. *After all, you only live twice.*

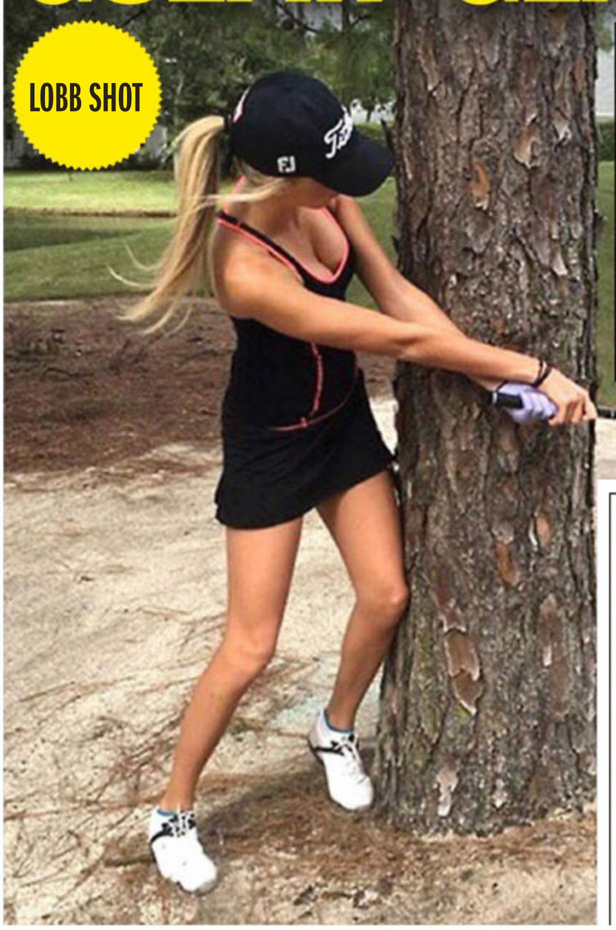
LOBB SHOT



WHO'S the hottest female golfer out there? If anyone should know, it would be you blokes…

Lefty, NSW

Our opinion changes regularly, Lefty. At the mo', we're sweet on 20-year-old Yank beauty queen/hacker Elise Lobb. Check her out at instagram.com/eliselobb. You won't be disappointed.

FAT & SMELLY ISSUES!

I'VE been hearing a lot about greenhouse-gas emissions and the high level of obesity. I feel the pain as the price of fuel continues to rise. And, along with many others, I struggle to reduce the spare tyre around my middle. These are problems impacting on all of our lives, which is why I find it odd when I see lines of cars pumping out pollution as they wait in the drive-through lane for takeaway food.

EK, Qld

That was a very serious letter, EK. It's gonna take us a while to fully digest it. Especially after that Family Burger Box we just drove down to KFC in the editor's V-8 Commodore to collect.

MARY XXXMAS

Adelaide babe unwraps her God-given gifts and spills on noisy nookie

PHOTOS BY MET-ART

THE nights aren't so silent when 22-year-old **Mary** is in the house. In fact, when it comes to doing the deed, the Adelaidean admits she makes enough noise to stir the rest of the street.

YOU'RE no virgin are you, Mary?
"No – although I do regular exercises to keep my vagina tight, so that I FEEL like a virgin. And I enjoy the occasional bit of role-playing as well."

Is that when you play all sweet and innocent?
"Guys love it when I pop on knee-high socks and act all cutesy. Men are easier to tease and tantalise than women, which is why I'll never go girls-only."

Not even for one holy night?
"Don't be so black and white. Women can spend a sexual evening together without having to refer to themselves as lesbians for the rest of their lives. Sex is about experimenting to find out what you like."

Fair call. Do you have a special someone to spend the Christmas holidays with?
"I'm not in a relationship, if that's what you mean. I'll be spending Christmas and New Year's Eve with a friend I occasionally hook up with. We're both single and the sex between us is always great, so we'll continue the arrangement until one of us finds a serious partner."

'MEN ARE EASIER TO TEASE THAN WOMEN'

Sounds like a plan.
"Yep, we'll hang out smoking weed, eating yummy food and fucking. Oh, and getting drunk on white wine!"

Let's not forget the presents!
"His cock wrapped in Christmas paper will do me this year. If that's too complicated, he can just tie a ribbon around it."

Are you vocal in the bedroom?
"I never used to be, then a girlfriend told me that moaning during sex helps you to climax. Her explanation had to do with breathing and blood flow and it kind of made sense. So I decided to give it a go..." ▶

LUCKY DIP

ARE you any good at baking cakes?
"Yeah, both kinds – regular and with a 'special' ingredient. Just don't give the second kind to your gran!"

You

I Love You

‘HIS COCK WRAPPED IN CHRISTMAS PAPER WILL DO ME’

And now you’re mad for the moaning, Mary?

“Uh-huh. I’ve pissed off a few neighbours below me for being TOO loud. We’re talking banging on their ceiling and nasty notes in the letterbox!”

They’re just jealous, hey. We never asked, what do you do besides modelling?

“I’m a receptionist for a small firm. I’ve never wanted to be famous or anything. I’m happy rocking up to a nine-to-five gig. And I recently bought a house after years of saving, so I need a regular, steady income.”

If only we could have you in EVERY issue of *People*, mate.

“Haha. This was just for fun. My boss has heaps of older male clients who try to flirt with me, so they’ll love seeing me naked in the mag. I just hope no-one asks me to sign their copy. That could be embarrassing.”

Only if you say no!

LADIES LOUNGE

ELIZA | 23 | The Harem, October 26

WHAT'S YOURS, DARL?

DO THINGS get out of control when you're on the town, Eliza? "It's not unusual to catch me lying on a bar with vodka being poured all over my half-naked body for some hottie to drink off me."

Are you a vodka girl yourself? "My favourite drink is a Fireball Cinnamon Whisky. It tastes delicious and really knocks you on your arse, if you want it to."

That's the only way to do it! "Life's short so you have to go hard!"

FIREBALL CINNAMON WHISKY: It's the DELICIOUS cinnamon taste that makes this spirit great for doing shots. The last time we had a sesh on it, we woke up with one eyebrow and a weeklong hangover, so drink responsibly!

BOTTOM SHELF

SINKING PISS!

Urine whisky…and 9 other revolting boozy beverages

TRUST us – these puke-worthy drinks are all LEGIT. Yes, someone has thought them up, someone has mixed them, someone has necked them and someone has had a TECHNICOLOUR YAWN afterwards. We dare you to sample this diabolical dozen and NOT chuck your guts!

The Kim Jong-un Nuclear Bomb

Ingredients: Burger, fries, BBQ sauce, apple pie and a chocolate'n'strawberry'n'vanilla milkshake, all bought from McDonald's. Oh, and vodka.

Method: Put the lot in a blender.

The bottom line: We prefer to call this the Macca's Unhappy Meal, 'cos your stomach will never forgive you…nor will your aching arsehole after it forcefully ejects the mess the following morning.

Pensioners' Urine Whisky

Ingredient: OAP wee-wee.

Method: Get a bunch of ancient Type 1 diabetics to pee in a bottle, then ask British mad genius James Gilpin to brew whisky using the urine's sugar.

The bottom line: We've been told Jimmy's brew DOES taste like whisky. But have one too many and you'll get…ahem, PISSED.

Liquid Steak

Ingredients: Shot of rum, dash of Worcestershire sauce.

Method: Add the sauce to the rum. Pretty bloody simple, right? Well, that was the easy part.

The bottom line: If you've ever wanted to know how your vegan friend feels when you hold him down and force-feed him a T-bone, skol this shit. You'll be filled with empathy for the poor guy and may never eat a tasty steak again. Oh, who are we trying to kid? We'll never give up meat.

Baby Mice Wine

Ingredients: Baby mice, jug of rice wine.
Method: Drop the live mice in the jug. Leave to ferment.
The bottom line: Chinese and Korean "experts" claim this drop – pickled mice and all – is a "health drink", but as it doesn't contain a single piece of fucking KALE, we don't believe them.

Horse Jiz

Ingredients: Beer, milk (the full-cream stuff, too, ya pussy!).
Method: Fill half a glass with beer, then top up with the moo juice.
The bottom line: Don't do it. You'd be better off drinking real horse semen. Or Näg-ermeister, as some call it.

Corn & Spit Beer

Ingredients: Corn, saliva.
Method: Get a sexy woman to chew up the corn and spit the mash into a glass, then leave it to brew for a month.
The bottom line: Also known as *chicha*, this South American bevvy doesn't have to be made with spit, but that's the method many prefer. As far as we're concerned, these sickos are the Latino equivalent of Foster's drinkers.

Infected Whitehead Shot

Ingredients: Vodka, Bloody Mary mix, a spoonful of cottage cheese.
Method: Finally put that NutriBullet to good use by blending the heck out of these ingredients. Pour into a fancy glass and garnish with parsley or some shit.
The bottom line: Keep thinking of this cocktail's disgusting name while you sip it. If you don't vomit, then you're not trying hard enough.

Ladyboys

Ingredients: Pint of lager, shot of Bailey's Irish Cream, glass of gin & tonic.
Method: Sip the lager, sip the Bailey's, sip the G&T. Feel it curdle the Bailey's in your mouth, then wince as you hiss, "Ooooooh, ladyboys!" Repeat till all three glasses are empty.
The bottom line: Originally created by Steve Coogan on television sitcom *I'm Alan Partridge*, Ladyboys have now become a rite of passage for some morons on a big night at the pub. A nightmare hangover is guaranteed.

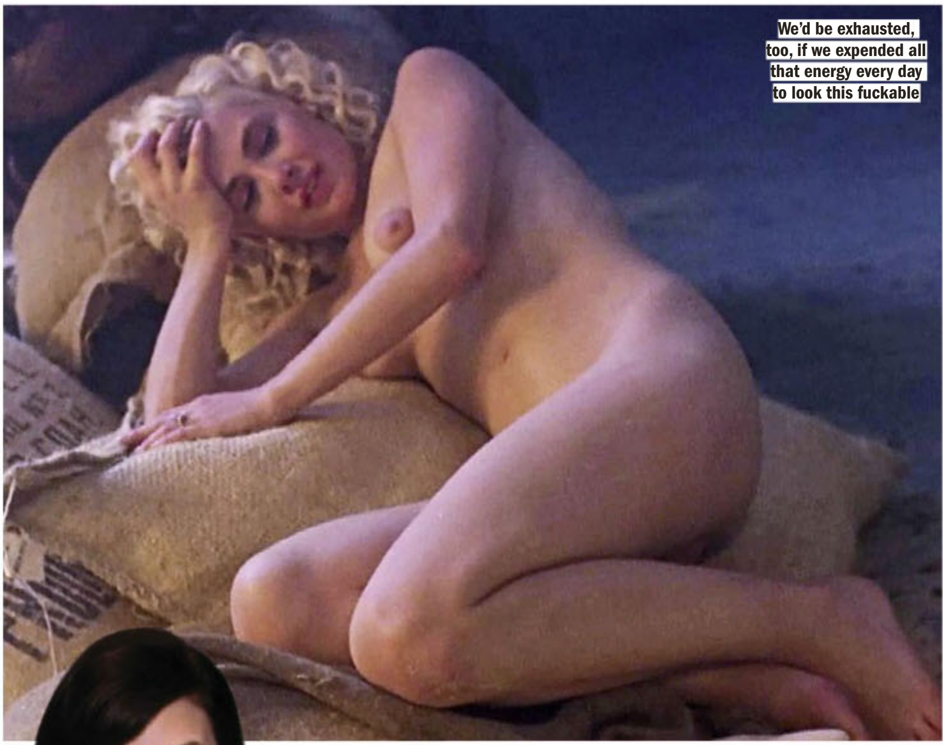
THE CHASERS

Snake Bile Wine

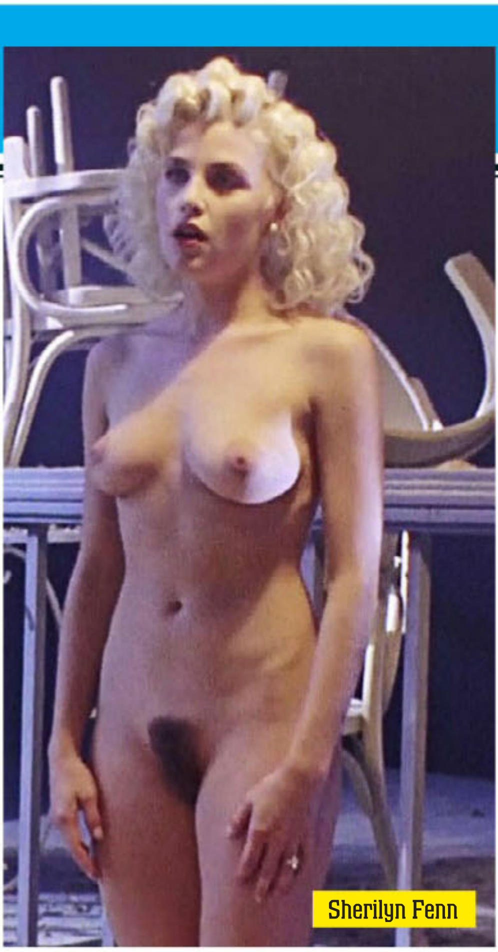
Ingredients: Bile extracted from a live cobra's gallbladder, rice wine.
Method: Get some idiot to extract the bile (preferably someone you don't like), then mix with the rice wine. Ignore the detective's questions later on at the police station when he asks where you obtained the cunting cobra.
The bottom line: This cocktail is extremely nasty.

Hot Mexican Hooker

Ingredients: Tequila, Tabasco sauce, tinned tuna juice (or sardine juice).
Method: Mix the lot, skol, then go pick up a hooker.
The bottom line: There are a lot of crime problems down Mexico way, and part of the blame must go to the jerk who invented this drink. If we swallowed this crap every day we'd wanna machine-gun a convent as well.



We'd be exhausted, too, if we expended all that energy every day to look this fuckable



Sherilyn Fenn

TWO MOON JUNCTION

Sherilyn shows off her twin peaks… and that furry valley!

WITH the news that creepy 90s TV series *Twin Peaks* is being revived, fond memories of starlet **Sherilyn Fenn** began flooding back to us.

She was already a well-known hornbag even before she took on the role of seductive Audrey Horne, mainly due to her full-frontal work in this steamy, trashy epic.

Shezza plays April, a RANDY RICH BITCH from America's Deep South who becomes lust-crazed for the giant cock of local carnival worker Perry (Richard Tyson).

The pair enjoy a passionate affair, rooting anywhere and everywhere in front of a Vaseline-smeared camera lens, emulating *9½ Weeks*…only with more bad acting and far less creepy Mickey Rourke.

Not that Sherilyn has fond memories of appearing in *Two Moon Junction*: "After seeing the movie I felt so exploited and stupid for doing it. But even that had an effect on people. When it had an effect on women it surprised me even more."

How could it NOT have an effect, especially in one scene where Ms Fenn stunningly reveals to the world that the carpet DEFINITELY DOESN'T MATCH THE CURTAINS!

The film's support cast is what you'd call "eclectic": Louise Fletcher (best known for portraying an evil nurse in *One Flew Over The Cuckoo's Nest*), lovable old folk singer Burl Ives, 1950s actrine Millie Perkins, a very young Milla Jovovich, *Fantasy Island*'s Hervé Villechaize ("The plane, boss! The plane!") and, most intriguingly, **Kristy McNichol** from safe-for-all-ages TV drama *Family* (1976-80).

She was 26 by the time *Two Moon Junction* rolled around.

We assume she took the role in an effort to ditch her goody-two-shoes teen image by getting her tits out for the lads!

And unlike Sherilyn, Kristy isn't one bit embarrassed by the flick.

"Actually, I feel good about everything I've done," she said proudly, "whether I did well or not… even if the movie didn't do well at the box office."

SICK JOKE

INTEL worker Aaron O'Neill, 20, was so desperate for a sickie he had a mate phone in a fake bomb threat! The Irish prankster got 4000 Intel employees the day off…and himself 200 hours' community service. Seems a bit extremist.

RENTAL BOYS

A CALIFORNIA home owner is suing a gay porn company for filming DICK FLICKS in her mansion. Kristina Knapic claims that, besides the mess left behind, her proof is an Instagram pic of a NAKED bloke on her bed. The company argues she threw a sex party herself. Someone's talking outta their butt.

OLD SPORT

I LIVE in Melbourne but regularly make it home to Brissie. On my last visit, I bumped into Frank, our netball physio back in college, on a night out.

I'm much more womanly now, with bigger boobs and an arse that my friends reckon every guy pervs on. And Frank certainly did.

We got talking and he told me he was divorced and trying to get back into the dating scene. Frank was only in his 40s and had a fit bod. The idea of being with an older man like him turned me on.

Things got flirty as the evening progressed, and eventually I kissed him on the mouth. Next, he asked me back to his place.

I played the dominant role from that moment onward. Once we arrived at Frank's apartment, I pushed him back onto the couch and told him I was going to undress in front of him.

His pants were already bulging, and they looked set to explode when I revealed my bald pussy.

Unbuttoning Frank's shirt, I ran my hands over his chiselled body, before working my way down to his love-muscle. I sucked him off for a while, then stopped abruptly and ordered him to fuck me.

He lifted me onto his marble kitchen bench and slipped in his sizeable schlong.

From there, we did it in various positions around his place and I orgasmed three times over the course of that long night.

> 'I WORKED MY WAY DOWN TO HIS LOVE-MUSCLE'

The next morning, I could tell Frank was kind of embarrassed, but I was feeling horny and the attraction was still there, so we had sex again before I left.

I also gave him my number and told him to come visit me in Melbourne.

BONKIN' BUDS

NICK and I had been "just good friends" for so long that people used to joke we were secretly in love. Maybe we were.

I'm not sure who made the first move. All I remember is that we were mucking around at his place when suddenly the little touches and tickles crossed over the line into something sexual.

Next thing we know, we were snogging.

I pulled away and looked Nick in the eye. "Are we REALLY going to do this?"

He hesitated for just over a second, then nodded.

Things escalated quickly from that point.

'MY VAGINA WAS INSANELY WET'

I'm an avid fellatrix, but I felt a little self-conscious showing off my skills to Nick. Once my lips were wrapped around his thick sausage, though, all he could do was rave about my knob-gobbling skills.

"Why weren't we doing this sooner?" he asked between moans.

We made love in the "legs in the air" position and Nick told me my vagina was insanely wet. The way he held my ankles and pounded me into a state of ecstasy told me I wasn't the only one who'd racked up some sexual miles.

"Fuck a friend, lose a friend", you say? Not always. We're now dating.

BIRTHDAY PLAY

I HAD just celebrated turning 48 in style.

I spent it in beautiful Phuket, where you can get cheap booze while perving on countless chicks in bikinis – and sometimes even less.

But the best bit was the double blowjob I enjoyed with two local hotties on your regular humid Thailand night.

These gals looked bored, sitting in the corner of the westerner-heavy bar, so I invited them to my table and began ordering us drinks.

"It's MY birthday!" I declared after several potent cocktails. "Let's take this party back to MY joint!"

'THEY FOUGHT FOR MY EJACULATION JUICE'

The girls giggled and off we went. In the tuktuk ride to the resort, one put her hand on my dick and asked what I wanted for my present.

"Two girls at the same time," I said, pointing to my pecker.

They laughed and whispered to each other. I took this as a positive sign.

Back in my suite, they immediately teamed up, stripping me and sitting me on the edge of the bed. One brought a wet washer from the bathroom and gave my sweaty tackle a wipe-over.

Soon, they headed down… to Penis Town.

It felt incredible having two pairs of lips and two tongues working my wang. The way they switched roles from massaging my balls to slurping my helmet without a word, I suspected the experience was only a first for one of us.

Regardless, it was mind-blowing, and when I eventually came, the girls appeared to almost fight to taste my joy-juice.

Best. Birthday. Ever.

FEMME FACTS

Name: Ashley

Age: 25

From: Perth, WA

What's the guts? Things get hot in the kitchen when Ashley's around. And even HOTTER in the laundry!

* * *

EVERYONE needs a DIRTY BIRD like **Ashley** in their lives. This messy-cute Perthling loves watching mucky adult films and is into rooting in interesting places…like on top of WASHING MACHINES!

YOU'VE been snapped here in the kitchen, Ashley. Is it a good place for nookie?

"Sex on the bench is always fun. I recently watched a porno where a woman fucked herself with an egg whisk, then baked a cake with it. It was so inspiring that I went out and bought one myself!"

Should everyone have a bit of XXX viewing in their lives?

"Why not? I'm into amateur porn. You know, a basic camera with a random French couple or whoever having sex on a bed. It's really hot – with an element of voyeurism involved. That said, I have a pretty wild imagination, so I can just close my eyes and the good times roll."

Noice. Where else do you like getting your root on at home?

"The couch is a personal favourite, but my fondest memory was sex on top of a washing machine while doing a laundry run. Fuck, it was SO much fun and I had the best orgasm. I seriously recommend it."

'I'M GREAT AT GIVING HEAD!'

Which aspect of shagging do women discuss most?

"A lot of girls I know complain that guys don't give oral long enough. You'd think there were worse places to be than between a woman's legs! The other thing girls talk about is GIVING head and how they could do it better."

Do they come to you for advice?

"I'm great at giving head and provide as much encouragement as I can to just get wild and go for it."

What's your tip for an awesome BJ?

"Consistency. Finding out what a guy likes best and go hard at it until you get a result."

Would you go lezzo for a day?
"I went lez for a night once. Full-time lesbianism isn't for me, but a night was fun."

Do you cry easily?
"No, but I'm still sensitive. I last cried two weeks ago after getting dumped."

Bugger. We'd date you.
"It isn't nice being on the receiving end of a break-up text."

NADIA | 25

Newcastle | NSW

"I love my tits being played with."

Have you ever shot a real gun?
"Yeah, I enjoy hitting a firing range to blow off a few rounds for fun."

Describe the experience.
"It's not unlike holding something else hard and long. Both are fun to play with."

VIXEN | 33

What else makes you fizz at the bunghole?
"I spend a lot of time in Japan and women there often ask if they can touch my tits. That turns me on."

Do youse find bunny-rubs as awesome as we do, Anais?

What do you dig most about boonting?
"I'm interested in the history of sex and how it works within society and in relationships today."

‘THERE’S NOTHING LIKE IMPROMPTU NUDITY’

SHARK | 24

Geelong | VIC

“There’s nothing quite like impromptu nudity.”

Like...where?
“My friends and I sometimes flash truck drivers for a giggle.”

How long have you had the landing strip?
“Probably a few months now. I quite like it. Do you?”

We do. How do you earn you keep?
“From modelling, mostly, which is great ’cos it’s a lot of fun.”

Are you called “Shark” because of your predatory nature?
“Ha! No, I just REALLY love sharks.”

LILLY | 20

Logan | QLD

Do you suck a good wang, Lilly?
“It’s one of my favourite things to do.”

Walk us through an experience.
“I make sure I get it nice and hard first. I don’t like flaccid cocks in my mouth.”

And then?
“I use lots of spit, go hands-free and work it hard and fast.”

Is that how you like to be fucked, too, Lilly?
“Oooh, God, yeah – give it to me hard and rough doggy style.”

Where’s your favourite place for a bloke to splatter baby batter?
“On my nice tits, then we can wash it off in the shower and go again!”

'I SAT ON THE TOILET AND ATE HER OUT'

PICS BY STUART WILLIAMSON

"Many times – I'm bisexual."

Tell us about the first time.
"I was at your standard nightclub with a friend when she made a move and pulled me into the unisex toilets."

Were the dunnies vacant at the time?
"A guy was in the cubicle beside us and heard the entire thing."

And the pussy eating?
"I sat on the toilet, she climbed up over me and I ate her out."

Excellent. Do you like it more than blowing dudes?
"It's very enjoyable, but I still prefer sucking dick."

LUNA | 29

COLOMBIA

What does your dream bloke look like, Luna?
"He's taller and stronger than me."

Anything else?
"He needs to have a nice personality and a respect for women."

What about his bedroom ability?
"Oooh, he definitely should be good in bed. That's VERY important."

Tell us what you love most about Colombia, mate.
"The colourful culture and amazing food."

Hearing you speak Spanish during a tonk would be hot!
""I do occasionally, if I'm in the mood."

PICS BY IDARE PHOTOGRAPHY

"I'm not a fan of bush generally."

Should blokes trim their cock and ball region?
"The less bushy down there the better."

When are you most keen to root?
"I prefer morning sex, but doing it after dinner with a few drinks is great."

Should guys ask before sending penis pics?
"A surprise is much more interesting."

Do girls discuss their experiences with dick?
"We talk and compare more about boobs than penises."

PICS BY IDARE PHOTOGRAPHY

"For sure – Glenelg's one of my favourite spots."

Are you getting enough sex at the moment, Savannah?
"I get a root three times a week. I wish I could have it every day, but!"

Well, why don't you?
"'Cos me and the partner don't live together and it's a 25-minute drive to each other's place."

That sounds more like an excuse.
"It's bloody great when we do hook up, though."

PICS BY IDARE PHOTOGRAPHY

That IS hectic. Does it cramp your chonking lifestyle?
"Nah, my sex-drive's through the roof, so I'm always up for some action."

How often are you rooting?
"At least once a day. Twice a day would be better but, you know, other shit gets in the way."

And if there's no man-meat available?
"I satisfy myself. I have a few sex toys knocking around my place. Most girls do."

Where's the most remote place in Oz you've visited?
"Probably Broken Hill in NSW. It was pretty quiet, which was just what I needed."

'I LIKE TO TEASE AND TORTURE...IN THE BEST WAY'

What's your fave sexual possie?
"Doggie enables you to get deep penetration ...it can be rough, it can be wild. Good ol' missionary feels very good. You can fuck a girl very deep, very hard, very slow. I can sometimes squirt in that position if I'm on the right angle and it's hard enough."

Rumour has it you give amazing BJs...
"Oh, I love fellatio and I'm a messy little girl! I think it stems from an oral fixation...I like things in my mouth and I also like eating with my hands and sucking my fingers clean. For me, giving a blowjob is a fun game that gets more sloppy as time goes on. I also think it's hot when someone is at your mercy. When you're going down on a man you have him by the balls and are free to do whatever."

And we'd be begging for more!
"I like to tease and torture – in the best way – and make someone putty in my hands. I didn't think I'd enjoy blowjob-only scenes as much as I do, but I absolutely love them. It's one of those activities I approach like a contest I'm trying to win – and I usually do."

We reckon everyone wins, especially the bloke! What do you like in a man, Romi?
"A guy who takes care of himself. I have so much energy and I need somebody who can keep up. And I have a mini-fetish for guys with shaved heads...but a little bit of facial hair. That's really sexy. It's about attitude, too – the way a man walks into a room. I pay attention to his mannerisms."

We're balding and fling doors open without knocking. Does that count?

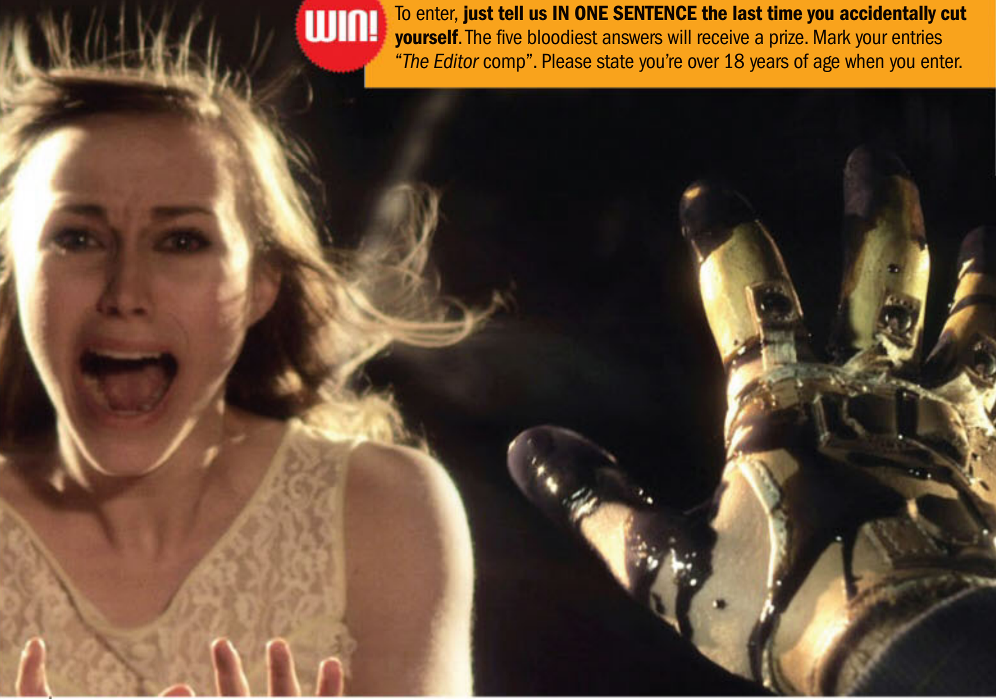
The Editor

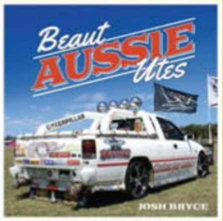
Monster Pictures, rated R, out now, RRP: $29.95 (DVD/Blu-ray)
What's the guts? Famed film editor Rey is reduced to working on shitty B-grade films after a terrible accident costs him four fingers on his right hand. When the actors on the latest film he's editing start turning up dead, Rey becomes the No. 1 suspect. To prove his innocence, the crippled editor must become a private detective and find the real killer… before he is targeted as the next victim.
Anything else? This Canadian pisstake of classic 1970s Italian horror/thrillers (giallo) is chockers with sex, violence and…well, MORE sex and violence. *The Editor* features a super cast, led by Udo Kier (*Blood For Dracula, Andy Warhol's Frankenstein, Nymphomaniac*), Paz de la Huerta (*Boardwalk Empire, Nurse*) and Laurence R. Harvey (*The Human Centipede 2&3*)!
Final word: The first cut is the hardest.

WIN! THE slashing types at Monster Pictures have sent us FIVE DVDs for this comp. To enter, **just tell us IN ONE SENTENCE the last time you accidentally cut yourself**. The five bloodiest answers will receive a prize. Mark your entries "*The Editor* comp". Please state you're over 18 years of age when you enter.



Beaut Aussie Utes

By Josh Bryce
Hachette Australia, out now, RRP: $24.99
What's the guts? Nothing beats a good ute when it comes to versatility and all-round beautness! This fantastic book showcases some of the finest examples of Australia's favourite car. With camera in hand, Bryce travelled all over our wide brown land to capture proud ute owners with their vehicles.



Anything else? *Beaut Aussie Utes* features page after page of awesome pix from the Darwin ute muster, Lights on the Hill truck show, a B&S ball in West Oz, musters in Queensland and pretty much anywhere else where utes can be found. Some of them are polished to perfection while others are covered in mud (and worse). If you know someone with a ute, then this book will make a perfect Chrissie present.
Final word: Four-wheeled legends!

WIN! WE'RE giving away THREE copies, thanks to our mates at Hachette. To get yours, **just tell us IN ONE SENTENCE why utes rule! The three beautest answers will score a book**. Mark your entries "*Beaut Aussie Utes* comp".

Amy Schumer: Live At The Apollo

Roadshow Entertainment, rated MA, out Dec. 7, RRP: $24.95 (DVD)
What's the guts? She's the hottest up'n'coming comedian in the world today and now you can see Amy Schumer at her very best in this DVD of her first HBO stand-up special. It was directed by Chris Rock and taped at New York's iconic Apollo Theater. Amy joins a long list of comedy greats – including Tracy Morgan, Jerry Seinfeld and Sarah Silverman – who scored their own HBO special, which is a sign you've "made it".
Anything else? One-liners that may or may not appear in this raunchy one-hour special are ""Nothing good ever happens in a blackout. I've never woken up and been like, 'What is this Pilates mat doing out?'" and "I made out with a homeless guy by accident. I had no idea – he was really tan, he had no shoes on. I just thought it was, like, his thang, you know? I was like, 'He's probably in a band.'"
Final word: Fucking funny.

WIN! WE'RE giving away FIVE DVDs courtesy of our wisecrackin' friends at Roadshow. To win, **just tell us IN ONE SENTENCE the most hilarious thing you've seen Amy appear in**. The five best answers will get a DVD. Mark your entries "Amy Schumer comp".

'Medicinal marijuana'? Hell, I feel better already!
GETTING DOUG WITH HIGH

A quick spliff before dying in *I Still Know What You Did Last Summer*

JACK IS WHACK

The stoned-cold truth about actor's weed habit

THESE days, that barrel-shaped barrel o' laughs **Jack Black** may be a respectable Hollywood actor, animation voice-over king, muso and flogger of expensive coffee machines, but his roots in STONER-DOM aren't too far beneath the surface.

You might recall he played drugged-out characters in some of his early movies like 1997's *Bongwater*, 1998's *I Still Know What You Did Last Summer* and 2002's *Orange County*.

So it's no surprise to learn Jack's something of a weed enthusiast, even though he reckons he's toned it right down 'cos he's a dad.

But he busted out recently while appearing on net interview show *Getting Doug With High*, where he talked about his dopey past while choofing away on various pipes and bongs with host Doug Benson.

"The first time I smoked weed was when I was 13, but it didn't become part of my life until college," he confessed. "And it was a big part of writing songs [with Kyle Glass, partner in his band Tenacious D]. We did that for years."

Black has never hidden his love of wacky 'baccy, appearing at dope legalisation benefit concerts and also on the cover of stoner magazine *High Times* with a big bowl of buds.

But it wasn't just weed that Black got goofy over. He's given most drugs at least a little nudge in his time.

"In ninth grade [at age 15], I did acid and cocaine. I wanted desperately to be an American badass. There's something so romantic, when you're a kid, about being a criminal."

Later on he even had a bash at HEROIN: "Somebody gave me a small amount of it in an envelope and I kept it for months. I didn't want to use it, but I didn't want to throw it away, because I was always curious about it.

"I snorted it, but it didn't agree with me. I couldn't really feel my legs, and my heart felt like it was slowing down too much. I thought, 'Oh, my God, I'm going to die.' So I went down to the 7-Eleven at the bottom of the hill, did a little shopping, then walked back up the hill and survived. And never did it again."

Black continued to be an enthusiastic imbiber of marijuana right up until he became a father, having sons with wife Tanya in 2006 and again in 2008.

"I haven't really been smoking since I had my babies," he says. "It's basically limited to celebratory jays on special occasions, but it's not a 'wake-and-bake' scenario anymore.

"I did smoke the other day before a meeting, and it was a big mistake. I got too high. Someone put the chronic in there. Two bong hits. I'm a lightweight, and if I smoke really powerful weed, I get paranoid and non-verbal."

Jack Black non-verbal? Now. THAT would be a career killer.

He's probably better off straight.
